Errors in David Romer, *Advanced Macroeconomics* (fifth edition)

Note: The plan is to correct these in subsequent printings. Thus, your copy may not have these errors.

May 2019:

p. 105, line 5: There should not be a dot over the first “ g_A ”. That is, “ $(\theta - 1)[\dot{g}_A(t)]^2$ ” should be “ $(\theta - 1)[g_A(t)]^2$ ”.

p. 358: In the heading (“Forward Guidance about the Real Interest Rate”), “Real” should be “Nominal”.

p. 492, last line: “ $\rho R > 0$ ” should be “ $\rho R > 1$ ”.

p. 494, equation (10.32): “ c_1^{b*} ” should be “ c_2^{b*} ”.

p. 518, Problem 10.11, part (a): Both occurrences of “ c_1^{b*} ” should be “ c_2^{b*} ”.

April 2021:

p. 689, equation (13.32): The first occurrence of “ α_2^{MED} ” after the equal sign in the first line and its first occurrence in the second line should both be “ α_1^{MED} ”.

p. 690, equation (13.33): The last occurrence of “ α_2^{MED} ” in the second line should be “ α_1^{MED} ”.
