Problem Set #9
Due in your Section Meeting
Wednesday/Thursday, November 9 or 10

Note Well: I will post the solutions to this problem set by Monday evening, November 7. You may use these solutions in writing up your answers. We *do* want you to turn in your answers for a grade to make sure you work through the problem set before the midterm.

- Chapter 12: Exercises 1 through 12 (be sure to use the new notes downloaded from Blackboard).
